

Matarromera Crianza

D.O. RIBERA DEL DUERO
TOP100 Wine Spectator
12 months aged in barrel

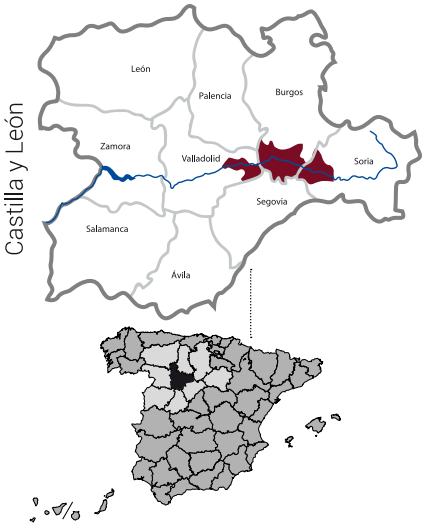

Matarromera Crianza is not only a wine, but also a cult wine. Its first vintage, 1994, won the title of **Best Wine of the World** in an international competition organised by the International Wine Organisation of Spain (OIVE). Since then, this 100% Tempranillo wine has been one of Matarromera's hallmarks.

This wine surprises us with the identity of the terroir from which it comes: Matarromera's historic vineyards, chalky Soil Textures in a harsh climate with large temperature fluctuations. In addition:

- Balance: Between the ripeness of the fruit and its ageing in barrels.
- Wood: It rests in selected French and American oak barrels, fine-grained and softly toasted, to respect the expression of the fruit as much as possible.
- Aromas of ripe black fruit and soft spices of rosemary and clove.
- It is tasty, intense and very long-lasting. Persistence and balance.

VINEYARD

Matarromera Crianza comes from several estates located between Olivares and Valbuena de Duero (Valladolid). These are La Aguilera, Tejares, Martinete and El Badén. These vineyards are very close to the Duero River and produce high quality grapes that, year after year, give Matarromera Crianza its characteristic flavour.

Matarromera Crianza

WINEMAKER: Félix González
TECHNICAL DIRECTOR: Alberto Guadarrama

Bodega Matarromera

In Valbuena de Duero, the birthplace of Tempranillo in the Ribera del Duero, lies the roots of **Bodega Matarromera**. Founded in 1988 on the slopes of a hill facing south, from which the impassive Duero River can be seen. This cosy winery is the perfect setting for the production of wines for ageing, as the conditions provided by its half-buried cellars are perfect for the production of wines in which the balance between oak and Tempranillo is the protagonist. **The first vintage of Bodega Matarromera won the Gran Gold Medal** at the International Wine Competition, which was an incredible starting point for a **history full of successes.**

Technical Data

The Vineyard
Vineyard Name: 200 has. of Bodega Matarromera's emblematic vineyards, among which the following stand out La Aguilera, Tejares, Martinete, Baden, Las Solanas o San Román
Town: Valbuena y Olivares de Duero
